<b>ROBOT BASES, with options a la carte.</b>				
including body, wheels, microcontroller and electronics, motors, encoders, 1 battery (capacity for three)				
ARIA Robotics Development Environment, ARCOS documentation, 1 year warranty on base				
POW0003	PowerBot Base	PowerBot 2-wheel diff dr base, 2 castr, micltr, 28sonar, bumpers, 2 batt, 500tick enc, battery, charger, docs, OS, ARIA, ARNetworking, MobileEyes, MobileSim, Mapper Basic & manuals; ethernet or laptop connector not included	21,995	19,995
PAT0010	Research PatrolBot Base	PatrolBot 2-wheel diff dr base, 2 casters, ARIA, ARNetworking, MobileEyes, MobileSim, Mapper Basic & manuals, 4 sonar, bump, batt, charger, 1000tick enc, docs ethernet or laptop connector not included	18,995	14,995
PEO0001	PeopleBot Base	PeopleBot Base, 10 bump sensors, 24sonar, 2 fixed table-sensing IR, 4 break beams, 1 battery (no gripper), OS, ARIA, ARNetworking, MobileEyes, MobileSim, Mapper Basic & manuals; charger & ethernet or laptop connector not included	12,995	11,995
P3T0001	Pioneer 3-AT Mobile Robot Base	Pioneer 3AT Mobile Robotic skid-steer base with 4 drive wheels, microcontroller, motors, encoders, 1 battery, std. Pioneer software & no sonar, OS, ARIA, ARNetworking, MobileEyes, MobileSim, Mapper Basic & manuals; charger & ethernet or laptop connector not included *** Recommended for outdoor use only with standard wheels. Indoor wheels available below (ACA0056) are required for indoor use***	6,995	5,995
P3X0001	Pioneer 3-DX Mobile Base & front sonar	Pioneer 3DX Mobile Robotic differential drive base w/ 1 battery & front sonar, OS, ARIA, ARNetworking, MobileEyes, MobileSim, Mapper Basic & manuals; charger & ethernet or laptop connector not included	4,195	3,695
<b>CLASS / COLLABORATION PACKAGES</b>				
MIX0001	NEW! Collaboration Pack of 10: PatrolBot, PeopleBot, AT / DX Bases	<b>10-robot mix</b> for collaboration and varied class experience: 1 PAT0010 Research PatrolBot, 2 PEO001 PeopleBot Bases, 3 P3T0001 Pioneer-AT bases and 4 P3X0001 Pioneer-DX bases *** AT's Recommended for outdoor use only with standard wheels. Indoor wheels available below (ACA0056) are required for indoor use***	74,995	64,995
P3T2001	NEW! Class Pack of 20: Pioneer 3-AT Mobile Robot Bases	<b>20</b> Pioneer 3AT Mobile Robotic skid-steer base, each with 4 drive wheels, microcontroller, motors, encoders, 1 battery, std. Pioneer software & no sonar, OS, ARIA, ARNetworking, MobileEyes, MobileSim, Mapper Basic & manuals; charger & ethernet or laptop connector not included *** Recommended for outdoor use only with standard wheels. Indoor wheels available below (ACA0056) are required for indoor use***	119,995	99,995
P3T1001	NEW! Class Pack of 10: Pioneer 3-AT Mobile Robot Bases	<b>10</b> Pioneer 3AT Mobile Robotic skid-steer base, each with 4 drive wheels, microcontroller, motors, encoders, 1 battery, std. Pioneer software & no sonar, OS, ARIA, ARNetworking, MobileEyes, MobileSim, Mapper Basic & manuals; charger & ethernet or laptop connector not included *** Recommended for outdoor use only with standard wheels. Indoor wheels available below (ACA0056) are required for indoor use***	63,995	54,995
P3T5001	NEW! Class Pack of 5: Pioneer 3-AT Mobile Robot Bases	<b>5</b> Pioneer 3AT Mobile Robotic skid-steer base, each with 4 drive wheels, microcontroller, motors, encoders, 1 battery, std. Pioneer software & no sonar, OS, ARIA, ARNetworking, MobileEyes, MobileSim, Mapper Basic & manuals; charger & ethernet or laptop connector not included *** Recommended for outdoor use only with standard wheels. Indoor wheels available below (ACA0056) are required for indoor use***	32,995	27,995
P3X2001	NEW! Class Pack of 20: P3-DX Mobile Bases & front sonar	<b>20</b> Pioneer 3DX Mobile Robotic differential drive base each w/ 1 battery & front sonar, OS, ARIA, ARNetworking, MobileEyes, MobileSim, Mapper Basic & manuals; charger & ethernet or laptop connector not included	70,995	60,995
P3X1001	Class Pack of 10: P3-DX Mobile Bases & front sonar	<b>10</b> Pioneer 3DX Mobile Robotic differential drive base each w/ 1 battery & front sonar, OS, ARIA, ARNetworking, MobileEyes, MobileSim, Mapper Basic & manuals; charger & ethernet or laptop connector not included	38,995	33,995
P3X5001	Class Pack of 5: P3-DX Mobile Bases & front sonar	<b>5</b> Pioneer 3DX Mobile Robotic differential drive base each w/ 1 battery & front sonar, OS, ARIA, ARNetworking, MobileEyes, MobileSim, Mapper Basic & manuals; charger & ethernet or laptop connector not included	19,995	17,495
<b>ACCESSORIES</b>				
<b>AT INDOOR WHEELS</b>				
ACA0056	Pioneer 3-AT Indoor Wheels Set	1 Set of 4 wheels and tires for indoor use with Pioneer 3-AT. Wheels <b>substantially improve runtime and decrease drive-train stress when running on indoor surfaces like carpet.</b> Easy bolt-on design	395	375
<b>ONBOARD COMPUTER &amp; COMPUTER ACCESSORIES</b>				
<b>PACKAGES FOR PIONEER3 AND PEOPLEBOT ROBOTS</b>				
ACT0012	On-Board COBRA B Computer	Onboard 1.6 GHz VERSALOGIC PC with PC104+ bus, 512 MG RAM, 2.5" 60 GB hard drive, control panels, plugs, cables, safe-shutdown & powering, installed inside Pioneer3 or PeopleBot robot	3,895	3,775
<b>PACKAGES FOR POWERBOT</b>				
ACT0013	NEW! On-Board Dual PC	Second PC option for processor intensive applications. Available on any PowerBot with existing PC. 2GHz+ dual-processor computer mounted in custom enclosure on top of PowerBot. Package also upgrades primary PC to dual-processor unit	3,645	3,450

SOFTWARE INSTALLATION				
SOF0004	LINUX Install & test all swfe	Install & test Debian Linux, Std Pioneer swfe, net configuration for Plug-N-Play ready system	295	195
SOF0032	WindowsXP Install & test all swfe	Pioneer3 swfe and WindowsXP INSTALL, net configuration & testing for Plug-N-Play ready system <b>***REQUIRES SOF0033***</b>	495	395
SOFTWARE OPTIONS & GUIDES				
SOF0015	Laser Mapping & Navigation Upgrade	Laser Mapping & Navigation Software (Laser Mapper, Map Editor, ARIA Laser Log, ARNL Laser Navigation & Localization) + Documentation (FOR EXISTING ROBOTS)	1,495	1,295
SOF0006	ACTS for Pioneer 3	ACTS ActivMedia Color-Tracking Software for color sensing with EZ-Train set-up, included in all "PTZ Tracking" packages below	495	395
SOF0025	ArAKin Arm Kinematics API	ArAKin Pioneer Arm Kinematics API software provides forward and inverse kinematics calculations. Included with ACT0010 "Pioneer 3 Arm"	495	395
SOF0033	WindowsXP	WindowsXP license and CD	395	325
SPEECH, VOICE AND AUDIO				
	Voice/Speech Software & Hdwe	Included standard in PeopleBots & PatrolBots; contact robots@activmedia.com for other custom inclusion	INQUIRE	INQUIRE
PAN-TILT-ZOOM (PTZ) VISION PACKAGES				
PACKAGES FOR ROBOTS WITH EMBEDDED COMPUTER AND WIRELESS ETHERNET ONLY				
ACTX041	Complete PTZ Track/Surv/Visn	PTZ104 NTSC Tracking/Surveillance/Vision System - incl robotic cam sys, PC104+ framegrabber, color-tracking, SAV (software AV), Pioneer interface & docs, installed	3,995	3,745
ACTX043	PTZ104 Custom Vision/Surv	PTZ104 NTSC Custom Vision System - incl robotic cam sys, PC104+ onrbd framegrabber, VisLib swfe, SAV (Software AV), robot interface & docs, installed	3,295	3,130
ACT0099	PTZ UnderMt Complete	NTSC Lightwt Under-Mount Tracking Surveillance Vision for use w/P3DX w/ arm & other specialized apps. Version-C PTZ robotic cam, onbd PC104+ framegrabber, ACTS swfe, VisLib libraries, SAV (software AV), robot interface, installed	4,295	4,030
PACKAGES FOR ROBOTS WITHOUT EMBEDDED COMPUTER ONLY				
ACTX048	PTZ Surveillance	PTZ NTSC Surveillance System for remote viewing- PTZ robotic camera system, AV Pro trans-rec, offboard PCI-framegrabber, robot interface, installed	3,695	3,510
ACT0100	PTZ UnderMt Surveillance	PTZ NTSC Lightweight Under-Mounted Surveillance System for use w/P3 with arm and other specialized appns. PTZ robotic camera system, AV Pro trans-rec, offboard PCI-framegrabber, robot interface, installed	3,995	3,795
PACKAGES FOR ROBOTS WITH LAPTOP COMPUTER ONLY				
ACT0050	Laptop PTZ Track/Vision	PTZ104 NTSC Tracking/Vision System - incl robotic cam sys, PCMCIA framegrabber, color-tracking, Pioneer interface & docs, installed	3,595	3,425
MANUAL-TILT VISION PACKAGES				
PACKAGES FOR ROBOTS WITH LAPTOP COMPUTER ONLY				
ACT0037	Manual-Tilt Vision/Track	NTSC Tracking/Vision System - incl fixed cam sys, PCMCIA framegrabber, color-tracking, Pioneer interface & docs, installed	2,195	1,990
ACA0097	Manual-Tilt Custom Vision	NTSC Custom Vision System - incl manual tilt cam sys, PCMCIA framegrabber, VisLib swfe, Pioneer interface & docs, installed	1,595	1,446
PACKAGES FOR ROBOTS WITHOUT EMBEDDED COMPUTER ONLY				
ACA0092	Manual-tilt Surveillance	NTSC Color cam, manual-tilt mount, AV-trans/rec for Pioneer 3 plus PCI offbd. Framegrabber	1,396	1,256
FRAME GRABBER				
ACT0065	PC104 Frame Grabber	PC104 form factor frame grabber for use with embedded computer	348	295
ACT0014	PCMCIA Frame Grabber	PCMCIA form factor frame grabber for use with laptop computer that is mounted on robot( <b>MS Windows drivers support only</b> )	805	720
ACT0096	PCI Frame Grabber & 900MHz AV Xmit/Rcvr	PCI form factor frame grabber for use with robot without embedded computer. Includes 900MHz AV transmitter and receiver for use with desktop computer	895	800
STEREOVISION SYSTEMS				
ACA0195	MobileRanger Indoor Stereovision with pan-tilt	Pan-tilt stereovision for superior hi-speed range-finding and BW vision processing. Includes twin cameras, lenses, pan-tilt, PC104+ card with embedded vision processing, cabling, camera drivers for Linux/WIN, cables, and mount. Pan-tilt is integrated in ARIA; no other software integration provided. Available on any suitably configured Pioneer or PowerBot.	7,775	6,995
ACA0196	MobileRanger Indoor Stereovision	Stereovision for superior hi-speed range-finding and BW vision processing. Includes twin cameras, lenses, manual tilt, PC104+ card with embedded vision processing, cabling, camera drivers for Linux/WIN, cables, and mount. No software integration with MobileRobots systems provided. Available on any suitably configured Pioneer or PowerBot.	3,295	2,995
ACA0095	Pan-tilt Color Stereovision	Pan-tilt stereovision for range-finding and color vision processing. Includes twin cameras, lenses, pan-tilt, firewire cd, cabling, stereovision software, camera drivers for Linux/WIN, cables, and mount. Pan-tilt is integrated in ARIA; no other software integration provided. Available on any suitably configured Pioneer or PowerBot. <b>*** We STRONGLY suggest the use of our upgraded computer ACT0012 with this option on a Pioneer robot***</b>	11,995	9,995
ACA0096	Manual-tilt Color Stereovision	Stereovision for range-finding and color vision processing. Includes twin cameras, lenses, firewire cd, cabling, stereovision software, camera drivers for Linux/WIN, cables, and manual-tilt mount. No software integration provided. Available on any suitably configured PeopleBot, Pioneer or PowerBot. <b>*** We STRONGLY suggest the use of our upgraded computer ACT0012 with this option on a Pioneer robot***</b>	7,495	6,995
LASER & LASER NAVIGATION				
ACA0023	Complete Laser Mapping & Navigation System	Laser RangeFinder (SICK LMS200) + Laser Integration Pkg (cables, mount, Laser Control Plug-In) + Laser Mapping & Navigation Software (Laser Mapper, Map Editor, ARIA Laser Log, ARNL Laser Navigation & Localization) + Docs	8,995	7,495
ACA0101	3D Sweeping Laser	Laser RangeFinder (SICK LMS200) + Laser Integration Pkg (cables, mount, Laser Control Plug-In) + Pan Tilt robotic joint (PowerBot, Robotic Chariot)	25,995	23,396
ACA0026	Laser Mapping & Navigation Integration	Laser Integration Pkg (cables, mount, Laser Control Plug-In) +Laser Mapping & Navigation Software (Laser Mapper, Map Editor, ARIA Laser Log, ARNL Laser Navigation & Localization) + Documentation ( <b>SICK LMS200 not incl.</b> )	2,995	2,495
GPS SYSTEMS (for use outdoors only) Note: most GPS systems require custom antennas, and other details; please contact us.				
ACT0080	20cm Accurate GPS System	Novatel 12 channel GPS receiver and basestation w/L1 only antennas and telemetry link, installed, 20Cm accuracy 70% of time with differential. Raw serial data; <b>pricing shown is estimate; call for custom quote</b>	24,995	21,995
ACT0078	1m Accurate GPS System	Novatel 12 channel GPS receiver and basestation w/L1 only antennas and telemetry link, installed, 1m accuracy 70% of time with differential; position data. <b>pricing shown is estimate; call for custom quote</b>	19,995	17,995
ACT0079	2m Accurate GPS System	Avail. U.S. ONLY - Novatel GPS receiver and WAAS correction w/L1 only antenna, installed, 2m accuracy 70% of time without differential; raw serial data. <b>pricing shown is estimate; call for custom quote</b>	7,995	6,995
OUTDOOR NAVIGATION SYSTEMS <b>*** NEW****NEW***</b>				
ACT0140	MobileRobots Outdoor Navigation System	for AT, PowerBot or PatrolBot, including SICK laser, Gyro and 2M GPS plus MobileRobots Outdoor Navigation Software. Requires onboard COBRA computer.	19,995	17,195
GYROSCOPIC CORRECTION				
ACT0090	Gyroscopic Correction System	Angular Rate Gyro w/ software to automatically correct motor encoder error, integrated into ARIA; recommended for use on surfaces with high slippage; Linux or WIN	295	280
SONAR RINGS				
ACAT031	Front Sonar Ring, P3-AT	Optional Front Sonar Ring for Pioneer3-(incl. with DX)	395	375
ACAX032	Rear Sonar Ring	Optional Rear Sonar Ring for AT or DX	495	470
PRESSURE SENSORS				
ACAX013	Bumper Pair	Bumper Pair for Pioneer 3-DX or P3-AT, 5 panel, 10 switch, 5 reading pressure sensing attachment, not compatible with gripper	995	945
ACAX014	Rear Bumper	Rear Bumper for Pioneer 3DX or 3AT, 5 panel, 10 switch, 5 reading pressure sensing attachment; use with front gripper	595	565
ORIENTATION SENSORS				
ACT0125	50deg In/Outdoor Position Sensor	Tilt compensated compass heading, accurate up to ±50° tilt range due to precise electronic gimbaling or tilt compensation. Precise pitch and roll angle relative to Earth. Includes case, serial cable fully integrated with ARCOS & user's manuals. <b>**** MOUNT 18" FROM ROBOT****</b>	1,495	1,395
ARMS, GRIPPERS & OTHER EFFECTORS				
ACT0010	Pioneer 3 Arm	5 dof Arm plus 1dof gripper with foam-lined fingers, 60gm (2oz) payload, for instructional and research use in P3DX or P3AT. Installation incl. if purchased with robot <b>*** Now includes ArAKin Kinematics API, provides forward and inverse kinematics calculations!</b>	5,395	4,795
ACA0010	PeopleBot Gripper	PeopleBot Tabletop 2 dof gripper with break beams, fixed IR for table sensing, and bottom pressure sensors for tabletops	2,495	1,995
ACA0011	P3 2-dof Gripper	2-dof Gripper for the P3, with electronics, integrated with ARCOS and installed or with support for customer installation	2,095	1,990

ETHERNET COMMUNICATIONS					
ACT0036	11Mb Wireless Ethernet/MINI-PCI	11 Mb fixed channel Wireless Ethernet Station Adapter plus PC104+ MINI-PCI adapter card, installed with antenna	995	945	
ACT0086	11Mb Ethernet Access Point	11 Mb fixed channel WaveLan Wireless Ethernet Access Point for your network hub	995	945	
ACT0106	Wireless Serial Ethernet Onbd	Low-speed wireless serial radio Ethernet, for use on robot without onboard PC; requires either access point	595	545	
ACT0097	RJ45 Ethernet Cable	RJ45 Ethernet Cable to connect robot Ethernet to Ethernet hub (12')	35	33	
SERIAL CONNECTIONS & CONTROLLERS					
ACT0092	Inductive Direct-Drive Joystick	This Inductive, Direct-Drive Joystick and its electronics plug directly into a PeopleBot or P3 microcontroller so the robot can be driven without connecting to a computer.	350	300	
ACT0093	LONG PIONEER TETHER	Long Pioneer Tether (8ft / 1.5m) db9	45	43	
ACA0094	SHORT CONNECTOR	Pioneer-to-Laptop Short Connector (6in / 15cm) db9' INCLUDES VELCRO FOR LAPTOP	35	33	
DOCK STATIONS, CHARGING & BATTERIES					
ACA0099	PowerBot Robot Side Dock	PowerBot Robot-Side Auto Docking System & Laser Auto-Dock Software <b>** Laser and computer required</b>	495	449	
ACA0102	PowerBot Floor Side Dock	PowerBot Floor-Side Auto Docking System & Laser Auto-Dock Software <b>** Laser and computer required</b>	1,495	1,345	
ACA0013	P3DX Dock Robot side	PeopleBot / Pioneer 3DX Robot-Side Auto Docking System & Laser Auto-Dock Software <b>** Laser and computer required</b>	1,495	1,295	
ACA0014	P3DX Dock Charge Station	PeopleBot / Pioneer 3DX Floor-Side Auto-Charge Station (for robots with ACA0013 Robot-Side Docking System) <b>** Laser and computer required</b>	1,595	1,345	
	PatrolBot Dock/Charge Station	Included with every PatrolBot	na	na

ACT0072	High-Capacity Charger, 5x,110V	HIGH-CAPACITY CHARGER, 5amp, 100-110V	295	280	
ACT0073	High-Capacity Charger, 5x,220V	HIGH-CAPACITY CHARGER, 5amp 220V, adaptable for Europe, Asia, Australia	295	280	
ACA0090	POWER CUBE	Slide-in Power Cube for simultaneously charging 3 batteries; also may be used as portable 5v 1.5amp or 12v 10amp power source <b>***CHARGER NOT INCLUDED***</b>	500	475	
ACT0091	Std 110 Charger for P3 w/o OBC	Standard capacity 110v charger adequate for Pioneer without an onboard computer	69	62	
ACT0087	7 AMP/HR BATTERY (Gel Cell)	12V, 7 Amp/Hour Gel Cell (add 2 to fill a Pioneer to capacity)	50	47	
ACT0088	CASE, 7 AMP/HR BATTERY	CASE OF 10 12V, 7-Amp/Hour Gel Cells for Pioneer or PeopleBot	450	395	
COMPLETE AMIGOBOT SYSTEMS <a href="http://www.amigobot.com">www.amigobot.com</a>					
AMI0013	AmigoBOT with Serial Ethernet	AmigoBot w ARIA, MobileSim, MobileEyes, Mapper Basic & Manual (includes 1 battery and charger) with serial ethernet onbd radio <b>ACCESS POINT NOT INCLUDED</b>	2,395	2,245	
AMI5018	AmigoBOT Serial Ethernet 5 Classpak	5 AmigoBot ClassPak (incl batts & chargers), 5 ethernet onbd radios, tech manuals, ARIA, MobileSim, MobileEyes, Mapper Basic & manuals <b>**ACCESS POINT NOT INCLUDED**</b>	10,495	9,995	
AMI1018	AmigoBOT Serial Ethernet 10 Classpak	10 AmigoBot ClassPak (incl batts & chargers), 10 ethernet onbd radios, ARIA, MobileSim, MobileEyes, Mapper Basic & manuals <b>ACCESS POINT NOT INCLUDED</b>	19,995	18,995	
AMI0002	AmigoBOT Tethered	AmigoBot w/ ARIA, MobileSim, MobileEyes, Mapper Basic & manual, incl 1 hi-cap battery and charger plus tether	1,795	1,695	
AMIGOBOT ACCESSORIES & GUIDES					
ACT0001	220 V Charger	Non-standard voltage (220V) Charger for AmigoBot	295	280	
ACA0001	AmigoFingers	AmigoFingers: passive, spring-loaded fingers clamp to AmigoBot(tm)'s front fender at variable widths, customizable for pushing various sized-blocks and balls.	99	89	
ACT0003	AmigoBOT Joystick	PC Joystick for use with AmigoBPT	79	71	
ACT0002	AmigoBOT Carry Cup	Cup with industrial strength Velcro attaches to robot to carry closed soda, pencils, paper, etc.	9	9	
ACT0086	11Mb Ethernet Access Point	11 Mb fixed channel WaveLan Wireless Ethernet Access Point for your network hub	995	945	
ACT0118	Peer to Peer Station Adapter	11 Mb fixed channel PCMCIA WaveLan Wireless Ethernet Station Adapter for use with AmigoBot Serial Ethernet	350	315	
ACA0092	Manual-tilt Surveillance	Color cam, manual-tilt mount, 2.4G av-trans/rec for AmigoBot plus PCI offbd. Framegrabber; NTSC	1,396	1,256	
WARRANTY EXTENSIONS
